## TOOLCO INC ... Precision Machining

Toolco Incorporated, a family-owned business, was started in a small shop on Oak Street in Union, MO in 1972 by Arthur Oberschelp. Thirty-six years later, Toolco is now in it's third building at 330 Independence Drive and Art's son, Ed Oberschelp, has been Owner and President for the past 8 years.

Toolco is a precision machine and tool shop, manufacturing machine parts and tools to customers' specifications. Combining years of machining expertise and the newest technology, they cut materials like aluminum, steel and plastic with extreme precision resulting in precise machine parts for a broad spectrum of industries from plastics to aerospace. Rexam Containers, also located in Union, is a major customer. Other customers include: Melton Machine, Boeing, Pendaflex, AmerenUE and Nike.
